

VISTAGE NEW YORK FACT SHEET

What is Vistage?

The **world's leading chief executive membership organization** with over **14,500 active members** in 16 countries. Vistage (formerly "TEC") has been operating and evolving for **over 50 years**. Visit www.vistage.com.

Who is Vistage for?

CEOs, President and Business owners who are LEADERS that embrace change, growth and continuous improvement, both professionally and personally. It's designed for CEO-level executives who want to become a **better leader**, make **better decisions**, and achieve much **better results**.

What does Vistage do?

It provides a dynamic, confidential, small-group-based, multi-component program that **increases your effectiveness** and **enhances your life**.

Core Vistage benefits?

See our testimonials! Vistage member companies **increase annual revenue growth almost triples** after joining.

What are Vistage's components?

Group Meetings: **Fresh thinking, unbiased feedback and personal accountability** from your board of peer advisors. They leverage close to 100 years of experience in non-competing industries to help you see your individual issues and opportunities more clearly, uncover new perspectives, and keep you accountable to turn intentions into actions and results.

Chair: An experienced CEO-level professional, trained to serve as an **executive coach** and group facilitator to ensure productive meetings and goal achievement.

Speaker Workshops: Recognized experts on **relevant topics** deliver interactive, practical insights and breakthrough ideas ready for implementation with content tailored to member needs.

The Vistage Gateway: Private, web-based **access to the global member network** and an extensive library of best-practice resources, white papers, & webinars.

Why Vistage?

It's unique in the way it combines and **integrates all program components** to produce a powerful, one-of-a-kind experience that members describe as transformational. That's why the average member stays for seven years!

What's my investment?

Commit monthly to one full-day group meeting plus a two-hour, one-to-one session with the Chair (less than 5% of your work load). The membership fee typically is recouped within the first decisions made based on belonging.

How does one join Vistage?

Membership in Vistage **is by invitation only** and involves a selection process based on characteristics of the prospective member and his/her organization, and a "fit" with the other dozen members of the group.
